

### Reflecting on Multiple Intelligences

1. Select a partner to work with for this activity.
2. With a partner and with your teacher's guidance, review the nine types of intelligence.
3. Without discussing with your partner: write down up to three types of intelligence with which **YOU** most closely identify. THEN...
4. Write down up to three types of intelligence with which you believe your **PARTNER** would most closely identify.
5. When done, compare your thinking. How many of your selections were the same?

(If you do not know your partner well enough, then just complete #2.)
